### **Waterford on West Century pays it forward to four local charities**

BISMARCK, N.D. — This holiday season, employees at Waterford on West Century received the gift of giving. Specifically, every department was given \$150 to donate to a nonprofit, charitable organization.

Waterford team members decided to pool their money and give to four local organizations: the Abused Adult Resource Center, Carrie's Kids, Guardian and Protective Services, Inc. and the Ruth Meiers Hospitality House. Each organization received \$300.

“We really enjoyed the chance to come together and help the community in a season where some get caught up in material things,” says Arlene Farnsworth, executive director of Waterford on West Century. “This year, it was especially meaningful, given the state of the economy and the fact that so many people need assistance.”

Waterford offers resort-style living to those 55-plus and is home to more than 150 people. The community offers a wide range of homes and lifestyle choices. An on-site health and fitness club is open to anyone over 40 and features a variety of fitness options. Waterford's parent company, Touchmark, provided the same gift of giving to each of its 11 communities in eight states and Alberta, Canada. The gifts extend the company's mission: “To enrich people's lives.” Touchmark founder and CEO Werner G. Nistler, Jr., is a native of Beach, N.D.
